## Why Register for ALL programs?

- 1) Registration helps ALL prepare for programs by making sure we have adequate seating and handouts for program participants. Occasionally a bigger room needs to be arranged for popular programs.**
- 2) Registration helps ALL advise presenters of the number of anticipated participants.**
- 3) Occasionally programs with low participation are cancelled at the request of the presenter.**
- 4) Registration helps ALL advise participants of program changes or cancellation.**
- 5) Some programs have limited capacity. Registration helps ALL monitor program capacity and advise participants accordingly.**

**ALL has implemented a system to register for ALL programs online.**

You are still able to register with the form included with your program guide.

**However, you may find it easier to register electronically with your computer or smartphone.**

There is no need to register both ways. Register using one way or the other.

**Registering for ALL programs online will improve registration accuracy and reduce office time needed to process registrations.**
