Why Register for ALL programs?

- 1) Registration helps ALL prepare for programs by making sure we have adequate seating and handouts for program participants. Occasionally a bigger room needs to be arranged for popular programs.
- 2) Registration helps ALL advise presenters of the number of anticipated participants.
- 3) Occasionally programs with low participation are cancelled at the request of the presenter.
- 4) Registration helps ALL advise participants of program changes or cancellation.
- 5) Some programs have limited capacity. Registration helps ALL monitor program capacity and advise participants accordingly.

ALL has implemented a system to register for ALL programs online.

You are still able to register with the form included with your program guide.

However, you may find it easier to register electronically with your computer or smartphone.

There is no need to register both ways. Register using one way or the other.

Registering for ALL programs online will improve registration accuracy and reduce office time needed to process registrations.

Use the following link to register online for April programs:
